Statement of Institutional Identity, Academic Records and Accreditation

16 October 2026 | To Whom It May Concern

Purpose

This statement assists students, graduates and third parties in understanding the identity, academic records, accreditation and verification procedures of UBIS SA Geneva.

UBIS SA Geneva

UBIS SA is a private institution in Geneva, Switzerland, registered since February 2006 under Swiss enterprise identification number CHE-112.755.057. Historical degrees may bear the name University of Business and International Studies. These and current Geneva degrees and academic records are maintained and verified by UBIS SA Geneva.

Official commercial registration

A public, non-certified Geneva Commercial Register extract dated 16 October 2026 is included in the standard packet. Current information may be verified through the official Geneva Commercial Register. Where a certified extract is required, a graduate or receiving organization may request one directly from the Canton of Geneva. Fees, delivery options and acceptance requirements are determined by the relevant authorities.

Programmatic accreditation

The International Accreditation Council for Business Education (IACBE) announced the first-time specialized accreditation of the University of Business and International Studies in 2013. Its letter of 6 January 2021, addressed to the Geneva institution, granted accreditation for the listed business programs from 1 January 2021 through 31 December 2027. UBIS SA Geneva reports uninterrupted specialized business-program accreditation since 2013. Later IACBE records use a new sponsoring-institution designation; that administrative designation does not change the issuer of a Geneva degree. The accredited scope consists of the programs designated by IACBE. The current published program listing identifies UBIS SA. Official IACBE listing.

Accreditation status and CHEA

IACBE is a CHEA-recognized programmatic accreditor of business programs. UBIS SA Geneva does not hold Swiss federal institutional accreditation through the Swiss Accreditation Council. CHEA directory of programmatic accreditors.

Geneva and Washington, DC

UBIS SA Geneva and the University of Business, Innovation and Sustainability in Washington, DC are separate institutions. UBIS SA Geneva continues to teach and award degrees. The Washington, DC institution does not replace or reissue degrees awarded by UBIS SA Geneva.

Third-party recognition and academic verification

Government authorities, credential evaluators, employers and educational institutions determine recognition and acceptance under their own criteria, which may change. UBIS SA can verify recorded facts and provide individual Attestations of Completion when needed, but does not determine a third party's decision.
